ARCHIPELAGO STORE | FISHVUE LIME

Activate your LIME subscription

Use this guide once your Archipelago Store account is set up. It covers subscriptions as well as bundles or devices bought through the store.

Open the store at **store.archipelago.ca** and log in.

Have these ready

- Your LIME unit's serial number
- Your vessel registration number and vessel name
- A credit card for payment

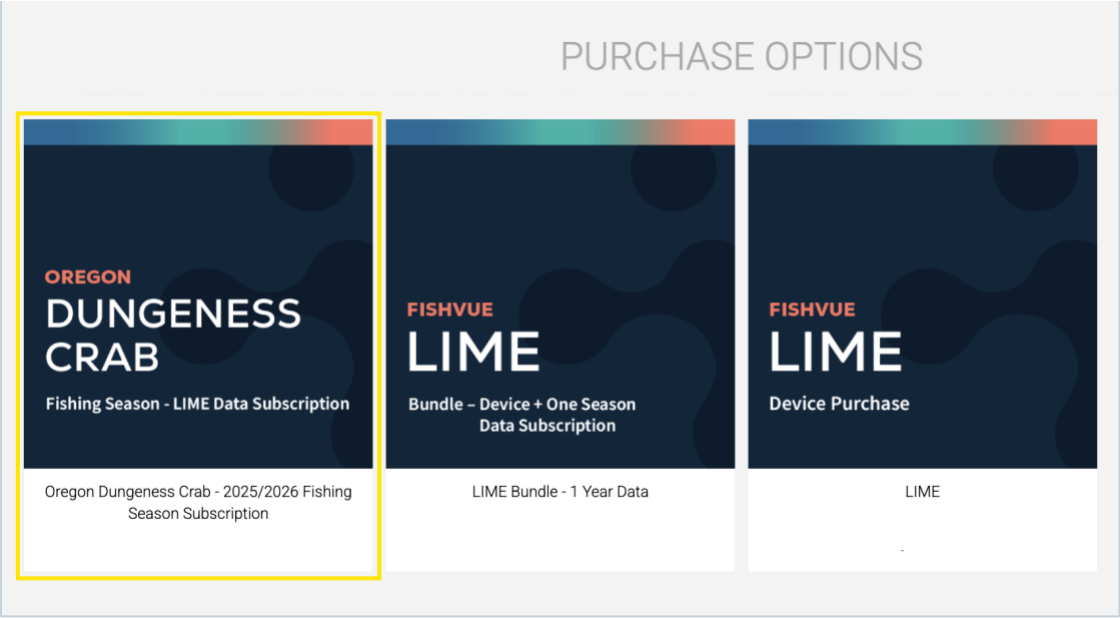

Bought a LIME bundle from a dealer?

After you enter your serial number, a pop-up confirms you have already paid and the amount due changes to $0. You must still continue to your cart to finish the activation.

STEP 1

Choose your subscription

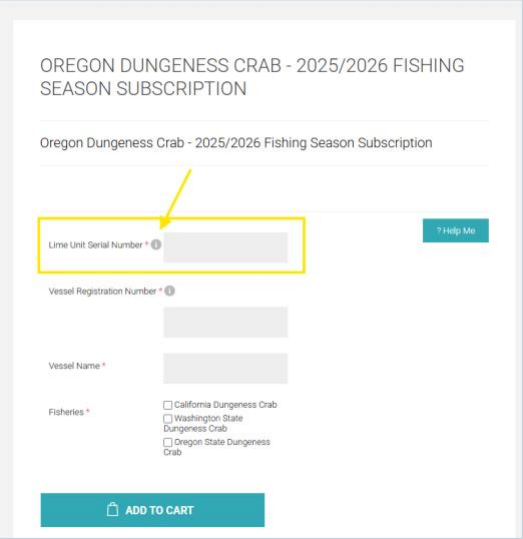

On the purchase options page, click the subscription you want.

STEP 2

Enter your LIME serial number

Type your serial number into the **LIME Unit Serial Number** field. The information icon next to the field shows where to find it on your unit.

Where to find your serial number

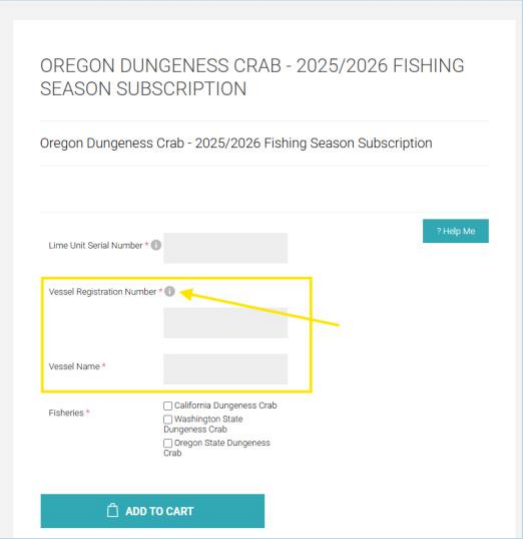

LIME serial numbers are six or seven digits long and begin with 1, 6 or 7.

- **Gray units with a QR code on the front:** printed directly below the QR code.
- **Black units, or gray units without a QR code:** printed on the underside of the device.

STEP 3

Enter your vessel details

Enter your vessel registration number and vessel name. The registration number is the unique identifier for your vessel. The information icon next to the registration field explains which number to use.

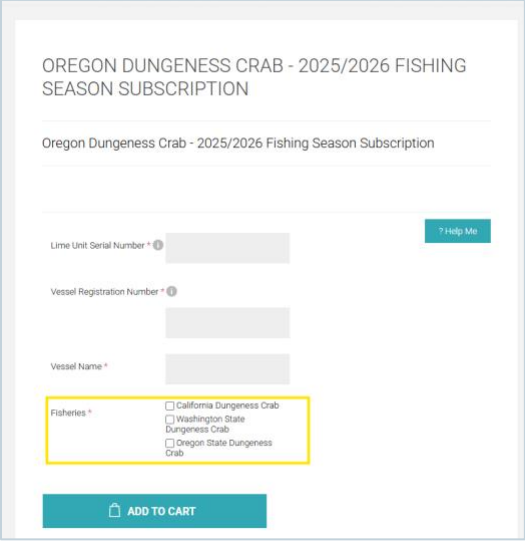

Which registration number to use

- **California:** the five-digit number assigned by CDFW.
- **Washington and Oregon:** the preferred identifier is your six- to eight-character alphanumeric Coast Guard registration number. If your vessel has no federal documentation number, use your state registration number.

STEP 4

Select your fisheries

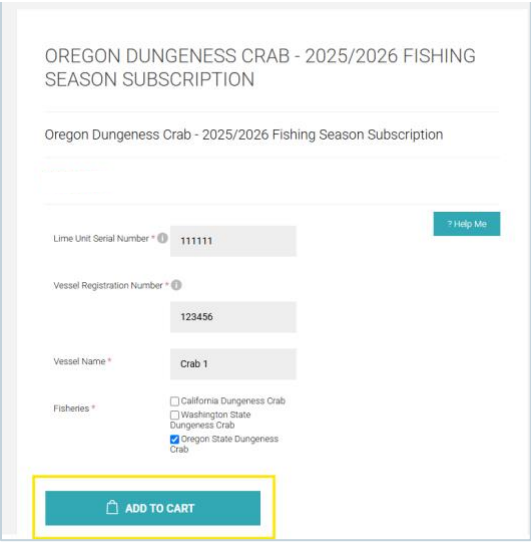

Check every fishery you will take part in this season. You can pick one or several.

STEP 5

Add to cart

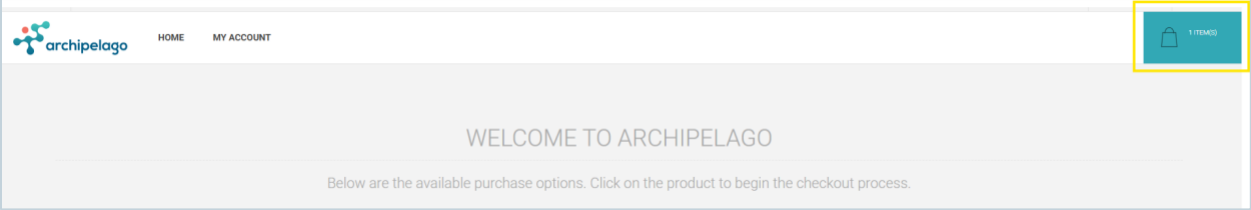

Click **Add to Cart**.

STEP 6

Open your cart

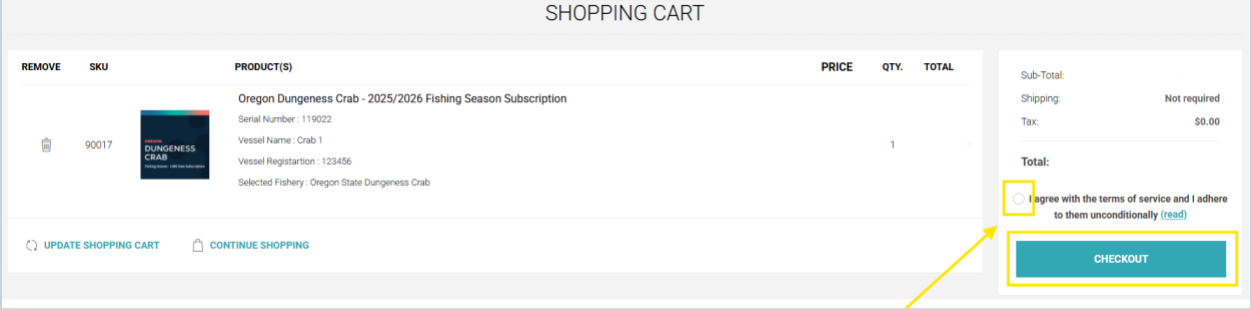

The store takes you back to the homepage. Click the cart icon in the top-right corner.

STEP 7

Accept the terms and check out

Your cart shows a summary of your order. On the right, read the terms and conditions and check the box beside them. You cannot continue until you do. Then click **Checkout**.

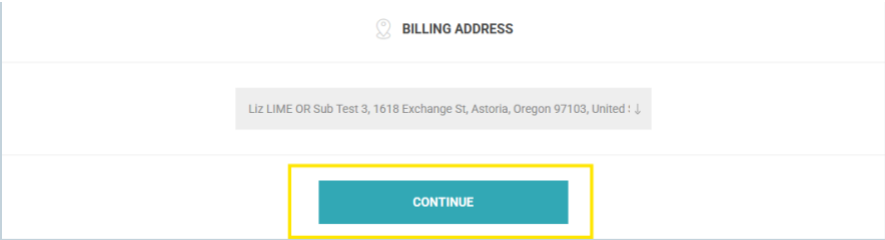

STEP 8

Confirm your billing address

Checkout shows your billing address, which is the main address from your account setup. Click **Continue**.

Buying a LIME bundle or device and want it shipped somewhere else? You can change the shipping address in the next step.

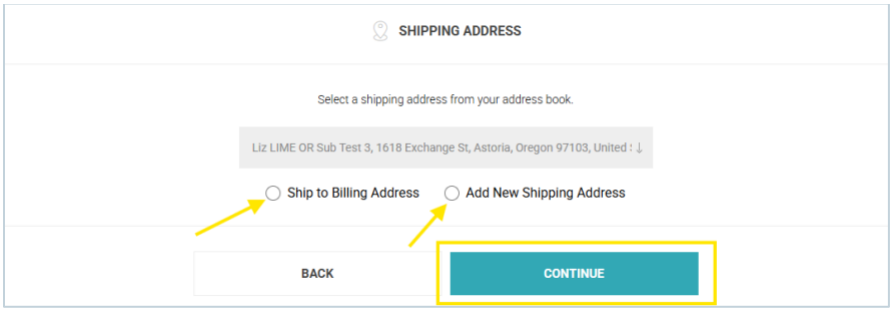

STEP 9

Choose a shipping address

Bundles and devices only. If you are buying a subscription on its own, the store skips this step and the next one and takes you straight to payment.

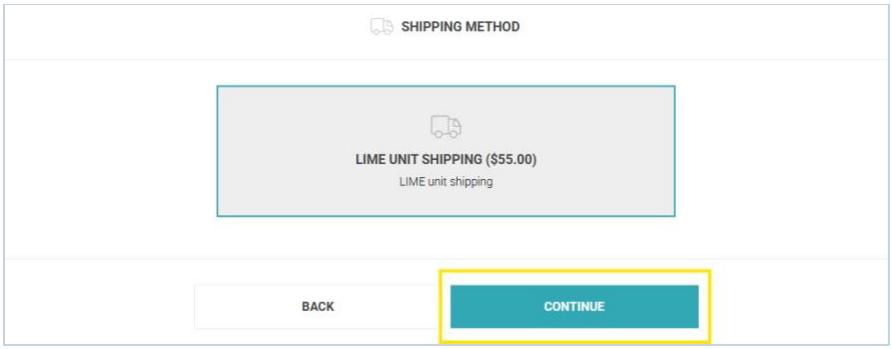

Select **Ship to Billing Address**, or select **Add New Shipping Address** and enter the new address. Click **Continue**.

STEP 10

Confirm the shipping rate

Bundles and devices only. The store shows a flat shipping rate. Click **Continue**.

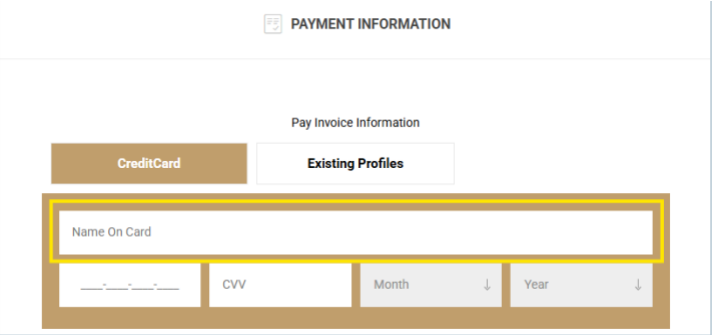

STEP 11

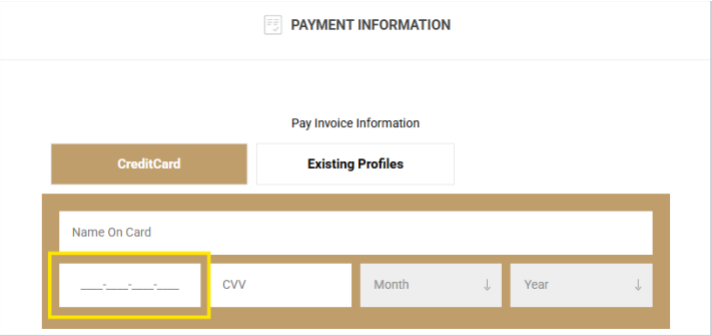

Enter your payment details

On the **Payment Information** page, enter your credit card details. Returning customers can click **Existing Profiles** and choose a saved card instead.

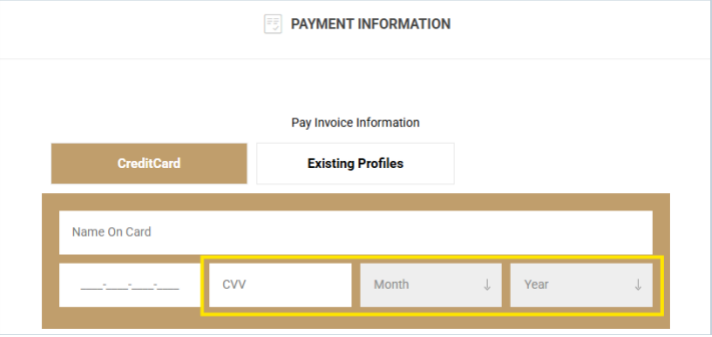

A Enter the name on the card in the long box at the top.

B Enter the card number in the bottom-left box, with no spaces or dashes.

C Enter the three-digit security code from the back of the card, then the expiration month and year, in the next three boxes.

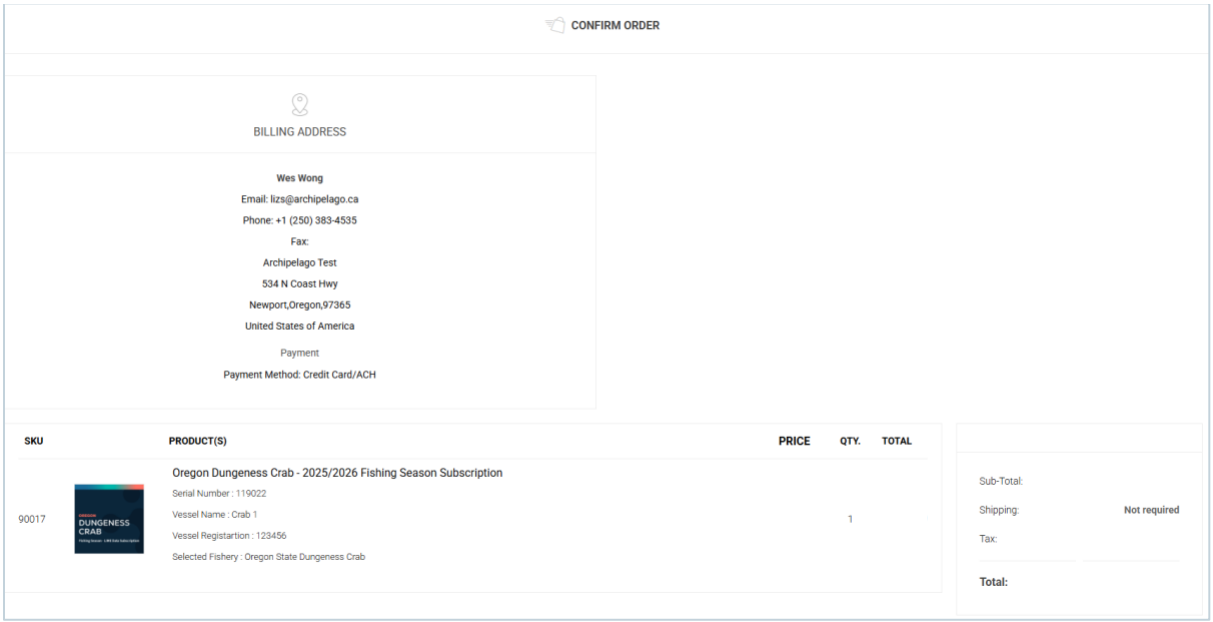

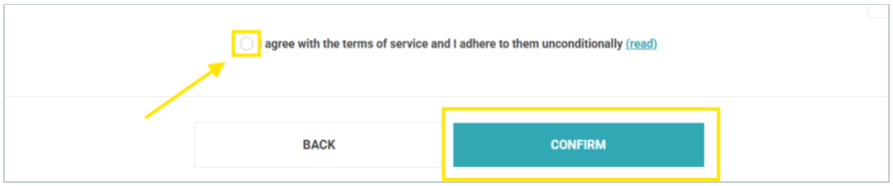

Then click **Continue**.

STEP 12

Review and confirm your order

Check your order details on the confirmation page. Check the box to agree to the terms, then click **Confirm**.

STEP 13

You're done

This screen means the transaction went through. You will also receive a confirmation email.
